When: Saturday, July 20, 2002, from 3pm till 9pm
Where: Ardmore Aviation
Who: Open to the general public of all ages
Why: Free and fun celebration of the first moonwalk anniversary

Aerospace Day Celebration

The public is invited to a free Aerospace Day at Ardmore Aviation on Saturday, July 20, from 3pm till 9pm. We're celebrating the anniversary of man walking on the moon with lots of free fun for all ages. Events include model rocket launches, airplane and rocket craft building, fireworks, and a tour of a real Saturn 2B rocket. Please RSVP your attendance and get more info by calling 256-658-1018 or visiting www.OmniFacets.com/wvb/

The USS *Wernher von Braun* is hosting the Aerospace Day. We're a group of science-fiction fans that get together for a variety of social and community service activities in the Huntsville area. Our activities include conventions, video parties, picnics, volunteer work, and much more. Our meetings are the first Sunday of every month at the Madison Municipal Complex at 100 Hughes Road in Madison. We're also a chapter of STARFLEET, the International *Star Trek* Fan Association. STARFLEET is a 28-year-old not-for-profit incorporation with over 4000 members worldwide.
